There will be 3 divisions to compete in, **Retro, Limited** and **Open .**
SHOOTER MEETING 9:00 A.M. ARRIVE EARLY!!!

Retro Division revolver is a Limited Division revolver that has the following additional requirements:

A. Cylinder with only 6 chambers.
B. Must only use speed loaders to reload. Moon-clips are prohibited.

Open Division - A revolver must compete in the Open Division if it has one or more of the following modifications:

A. Compensating, venting, or metering ports of any kind.
B. An optical sight including telescopic and red dot sights.
C. A rib sight, a front sight that extends beyond the muzzle, or a rear sight that extends beyond or behind a factory manufactured sight's location.
D. Any barrel other than an unaltered factory barrel or an unaltered factory replacement barrel made by the revolver's manufacturer. Alterations to the barrel other than what is required to safely install the barrel are not permitted in Limited Division.
E. An underlug, barrel weight, grip weight, or any other modification designed to increase the weight of the revolver.

Any revolver not competing in Open Division may compete in Limited Division or Retro Division subject to Rule 5.8 and 5.9 of the current ICORE Rule Book

All ICORE members who enter the match will have their name placed in a box. One ICORE member's name will be picked from the box and will win a gun if enough shooters warrant it. ICORE membership applications will be available the day of the shoot. *Bring FFL information*.

STAGES: All stages and their descriptions will be clearly marked for all shooters. Stage layouts will be 6 round neutral. The course may designate a specific number of shots to be fired, this is called "Shots Limited" as "Virginia Count" in IPSC. If no time is set or maximum number of shots are indicated by the course design the shooter may use extra shots and time to better their score, this is referred to as "Shots Unlimited".
